

WILLIAMS-KING NEW "IMPERIAL MODEL"

**EXCELLENCE OF CABINET
CONSTRUCTION**

is brought to the highest standard in this IMPERIAL MODEL. Beauty in figured Walnut cleverly matched by our experts, combine in creating this cabinet for the most artistic drawing room.

**TONE—SELECTIVITY—
DISTANCE**

is assured by the use of the following tube installations: 6-227 Radiotrons, Radio Frequency, Detector, and First Audio stages; 2-245 Radiotrons, for Audio Power amplification, and 1-280 Radiotron as Electrical Current Rectifier. This set is so powerful that even on a short aerial it will pull in long distance stations.

DOUBLE DYNAMIC SPEAKER

Our Power Speaker gives you tremendous volume when you need it, as well as modulated volume for general use.

Dealers should stock the Williams IMPERIAL MODEL. "The time tried Neutrodyne Circuit."
